

Deemed Tariff

Business Gas

Applicable to customers of SmartestEnergy Business Limited.

Effective from – 1st July 2024

Our non-discounted 'Deemed Tariff' rates apply to SmartestEnergy Business customers who do not pay by monthly Direct Debit and/or if you move into premises where SmartestEnergy Business is the existing gas supplier and have not actively agreed contracted rates with us. In such circumstances you will have automatically taken a deemed supply agreement and will be placed on our 'Deemed Tariff'.

We are a Direct Debit only company which enables us to minimise our administration costs and pass this onto customers with favourable contracted prices. To find out about our best available rates, please contact our Customer Services on **01903 703400** (Mon-Fri, 8.30am-5.00pm).

As an existing customer, should you cancel your Direct Debit Instruction at any time or fail to make payment, your account may be placed on our 'Deemed Tariff'. Wherever possible we will notify customers prior to switching to our 'Deemed Tariff' and advise how to prevent such action.

Deemed Tariff Rates

| Meter Profile | Standing Charge (Pence per day) | Unit Charge (Pence per kWh) |
|---------------|------------------------------------|--------------------------------|
| All Meters | 200.0 | 7.8 |

These prices may be subject to change at any time and notified where possible in accordance with our standard terms and conditions. All prices shown exclude Climate Change Levy and VAT, which will be charged at the prevailing rate.
